Corporation. Neither the Central Government nor the State Governments make any contribution towards setting up of ESI hospitals. During 1985-1990, the Corporation earmarked Rs. 8102.34 lakh for construction of ESI hospitals/ dispensaries. During this period, 24 hospitals were commissioned.

Co-production of spare parts of MIG-21 with Russia

*286. DR. BAPU KALDATE:
SHRI KAMAL MORARKA:

Will the Minister of DEFENCE be pleased to state:

(a) whether Russian Government have proposed for co-production of spare parts for MIG-21 aircraft and also to jointly market the spares to various countries where such planes are used;

(b) if so, what are the details thereof stating the conditions laid down by the Russian Government for such a venture; and

(c) what decision Government have taken in this regard?

THE MINISTER OF DEFENCE (SHRI SHARAD PAWAR): (a) No specific proposal in this regard has been received.

(b) and (c) Do not arise.

Implementation of Sarkaria Commissions Recommendations

*287. SHRIMATI VEENA VERMA:
CHOWDHARY HARI SINGH:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) what action has so far been taken on the recommendations of the Sarkaria Commission on Centre-State relations; and

(b) what are the reasons for delay in implementation of the said recommendations?

THE MINISTER OF HOME AFFAIRS (SHRI S.B. CHAVAN): (a) and (b) The Government considered the recommendations of the Sarkaria Commission's Report and decided in September, 1990 that the recommendations as such may be placed before the Inter-State Council. Accordingly the report was taken up for discussion in the first meeting of the Inter-State Council on 10th October, 1990. After discussion it was decided that a Sub-Committee of the Inter-State Council be constituted to examine the recommendations and give concrete suggestions thereon. So far four meetings of the Sub-Committee of the Inter-State Council have been held. After the Sub-Committee has considered all the recommendations, these would be taken up in a full meeting of the Inter-State Council. The Government would take decision on various recommendations after views of the Inter-State Council become available.

Bill to Check the Custodial Crimes

*288. MISS SAROJ KHAPARDE: Will the Minister of HOME AFFAIRS be pelased to state:

(a) whether Government propose to introduce a Bill in Parliament proposing stringent measures to check the growing menace of custodial crimes and violation of human rights in the country; and

(b) if so, what are the details thereof?

THE MINISTER OF HOME AFFAIRS (SHRI S.B. CHAVAN): (a) and (b) A proposal for the constitution of a National Human Rights Commission and for enacting a legislation to check custodial crimes and to provide for allied matters was discussed in the Conference of Chief Ministers held on 14th September, 1992. Subsequently this proposal was placed before the 9-Member Committee of the concerned Central Ministers and Chief Ministers set up under the Chairmanship of Union Home Ministers on the recommendations of the Conference to prepare a draft legislative framework for the proposed National Human Rights Commission. The

Committee in its meeting held in New Delhi on 12th October, 1992 felt that the proposal needed more detailed examination. In the light of this the matter is under further consideration.

The essential features of the proposal to enact a legislation to check custodial crime were also included in the papers for discussion in the Conference of Chief Ministers held on the 13th November, 1992 at New Delhi to discuss the various issues pertaining to the Administration of Criminal Justice. The Conference decided to set up a Steering Group comprising the Union Home Minister, concerned Central Ministers and some Chief Ministers to continuously monitor the implementation of the several major proposals contained in the Agenda for the Conference.

The Steering Committee will consider the various proposals and make suggestions for appropriate action by the Government.

Supply of coal to ceramic industries in Gujarat

*289. SHRI VITHALBHAI M. PATEL:
SHRI GOPALSINGH G. SOLANKI:

Will the Minister of COAL be pleased to state:

(a) what was the annual requirement and allocation of steam coal for Gujarat during the years 1990-91, 1991-92 and so far in 1992-93;

(b) whether Government are aware that due to poor quality to steam coal about 350 ceramic units in Gujarat are adversely affected; and

(c) if so, what action Government have taken in this regard and ensure that steam coal is received as per weight mentioned in the railway receipt?

THE DEPUTY MINISTER IN THE MINISTRY OF COAL (SHRI S.B. NYAMAGOUDA): (a) Details of programme filed by Ceramic Industries of Gujarat and despatches during the last three years are as follows:—

(Figs. '000. tonnes)

Years	Programme /Linkages	Total Despetches
1990-91	320.09	228.41
1991-92	441.52	203.17
1992-93 (April-October)	219.10	69.00

(b) and (c) Supply of coal to non-core sectors consumers gets affected due to priority in loading given to core sectors like power, cement etc. The level of satisfaction for Ceramic Industries in Gujarat can be improved if they agree to accept coal from diversified sources and also increase lifting by road.

Coal India Ltd. have reported that coal of good quality, free from extraneous materials is being supplied to the consumers.

All the Railway sidings from where coal is loaded for ceramic sector consumers have rail weighbridges. Consumers can also post their representatives at the loading points to check the quality and quantity of loading of coal in the wagons. Coal Companies have also constituted Coal Consumers 'Councils for redressal of consumers' grievances.

Amendment in the Delhi Municipal Act to Prevent Illegal Construction

*290. SHRIMATI KAMLA SINHA:
DR. BAPU KALDATE:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) what is the number of cases filed by the MCD in courts against the builders for violating the provisions of Delhi Municipal Act during the last three years (year-wise) till date;

(b) what is the number of cases in which the builders got away by paying fines for large scale deviations for unauthorised construction;

(c) whether the existing laws have been
